Project Update

Wireframe and
Design

JVCS
functionality

Internet 2
Project

Other
developments
and current
issues

- Agreement to create 10 links between JANET Collaborate and JVCS
- Main benefits:
 - Transfer registration details
 - Link a member with a JVCS venue
 - Turn an opportunity into a Booking
 - Check Venue availability

Project Update

Wireframe and
Design

JVCS
functionality

Internet 2
Project

Other
developments
and current
issues

- Similar stages of development
- Using Open source software and My SQL
- Opportunities = Projects
- Agreement to work towards sharing information

Project Hotlist

Most viewed projects over the past month....

o [MegaConference Jr.](#)
 Megaconference Jr. is an annual project designed to promote cultural awareness and also raise the technology understanding of students in the K-12 environment. [more...](#)

o [United Nations Food Force](#)
 From the United Nations World Food Programme (WFP), the world's largest humanitarian agency, Food Force is an educational video game telling the story of a hunger crisis on the fictitious Island of Sheylan. [more...](#)

o [Creative Minds](#)
 During the 2006-2007 school year, MAGPI will offer several "free" author interactive videoconference events for our members. [more...](#)

o [Entrepreneurship Week USA](#)
 From February 24 to March 3, 2007, entrepreneurs, educators, community leaders and young people across the US will celebrate the power of entrepreneurship and ignite the nation's consciousness about the importance of being entrepreneurial. [more...](#)

JANET Collaborate Prototype

Planning for User Group Tests

Project Manager:

Tim Boundy

Schools Content Coordinator

t.boundy@ukerna.ac.uk

Educators as users

- Basic tasks and questionnaire
 - Registration,
 - Searching opportunities and other members,
 - Placing an opportunity

- Two small teacher events currently arranged
 - 18 April – Wakefield LA, Paul Butler
 - 26 April – Towneley Park CLC, Burnley, Paul Matty

Educators as users

- Volunteers from Subject associations
- More events? Venues please?
- Independent questionnaires?

Content Providers as users

- 'A Walkthrough of the JANET Collaborate prototype'
 - Registration,
 - Creating a Profile for your institution,
 - Placing an opportunity.

- Three options to participate
 - 13 April – Video or audio conference
 - 16 April – The Cabinet War Rooms and Churchill Museum, London
 - 17 and 19 April – Independent Users Clinic

Questions

- Who are the other user groups?
- How can User group tests and events be adjusted to suit?
- Does this all help with gathering information Post-launch?

JANET Collaborate Prototype

Sector Strategies

Project Manager:

Tim Boundy

Schools Content Coordinator

t.boundy@ukerna.ac.uk

Points for discussion

- Who are the other users?
- Please suggest groups and owners from your sector
- Promotional strategy
- Upcoming promotional events

I need volunteers please to help with

- Subject Categories
- Breakdown of educational levels
